

The image is a vertical graphic design. At the top center, the Big Ben clock tower is depicted in a detailed, slightly stylized manner. The background is a chaotic collage of abstract shapes and colors, including shades of teal, black, and orange, with a splatter and paint-drip effect. In the foreground, several tools are arranged around the text: a wrench at the top, a pair of pliers on the left, a pair of shears at the bottom, and a power drill on the right. The tools are rendered in a metallic, teal color with black outlines and highlights. The text 'Trades United' is written in a bold, blocky, sans-serif font. The letters are white with a thick black outline and a slight drop shadow, making them stand out against the dark background. The overall style is industrial and energetic.

**Trades
United**
